

NICHOLAS SAPPINGTON

San Francisco, CA | nicholassappington@gmail.com | 310-621-8502 | nicholas-sappington.netlify.app

Versatile operator and creative technologist with experience spanning business operations, product formulation, financial market analysis, and audio/media production. Founded and successfully exited a service company, engineered proprietary supplement formulations, and published technical market analysis to large retail audiences.

EXPERIENCE

Formulation & Research Specialist — Nutraperfecto 2024 – 2026

- Engineered proprietary formulation blends by identifying synergistic active ingredients through rigorous research and testing.
- Managed global ingredient sourcing for supplement releases, ensuring scientific efficacy and ingredient purity.

Founder & Operator — Lopass LLC 2023 – 2026

- Founded, grew, and sold a Los Angeles black-car chauffeur service serving celebrity, entertainment, and high-net-worth clientele (airport transfers and exclusive events).
- Built the driver roster, ran dispatch, and owned client relationships; set the operational standard for discretion and white-glove reliability.
- Negotiated and closed a successful exit, selling the company.

Production Manager — TCM Film Festival 2024

- Managed logistics and scheduling for guest filmmakers and VIPs.

Technical Market Analyst — Royce Jacob & MapleStax 2020 – 2022

- Paid technical-charting contributor across YouTube and Twitter (X) for the Royce Jacob and MapleStax brands.
- Translated complex options and equity setups into clear, engaging visuals for retail audiences and published live trade ideas to subscriber communities.

Lead Sound Designer & Audio Producer — The Gunter 2017 – 2018

- Directed sound-effects library curation and score direction; secured critical funding for audio projects.

Assistant Store Manager & Sales Representative — Sprint 2014 – 2017

- Ranked top 10 in business sales across the district; Salesforce power user.
