

NICHOLAS SAPPINGTON

San Francisco, CA • nicholassappington@gmail.com • 310-621-8502 • nicholas-sappington.netlify.app

Versatile operator and creative technologist spanning business operations, product formulation, financial market analysis, and audio/media production. Founded and successfully exited a service company, engineered proprietary supplement formulations, and published technical market analysis to large retail audiences.

EXPERIENCE

-  **Formulation & Research Specialist** 2024 – 2026
Nutraperfecto
 - Engineered proprietary formulation blends by identifying synergistic active ingredients through rigorous research and testing.
 - Managed global ingredient sourcing for supplement releases, ensuring scientific efficacy and ingredient purity.
-  **Founder & Operator** 2023 – 2026
Lopass LLC
 - Founded, grew, and sold a Los Angeles black-car chauffeur service serving celebrity, entertainment, and high-net-worth clientele.
 - Built the driver roster, ran dispatch, and owned client relationships; set the standard for discretion and white-glove reliability.
 - Negotiated and closed a successful exit, selling the company.
-  **Production Manager** 2024
TCM Film Festival
 - Managed logistics and scheduling for guest filmmakers and VIPs.
-  **Technical Market Analyst** 2020 – 2022
Royce Jacob & MapleStax
 - Paid technical-charting contributor across YouTube and Twitter (X).
 - Translated complex options and equity setups into clear visuals for retail audiences; published live trade ideas to subscriber communities.
-  **Lead Sound Designer & Audio Producer** 2017 – 2018
The Gunter
 - Directed sound-effects library curation and score direction; secured critical funding for audio projects.
-  **Assistant Store Manager & Sales Representative** 2014 – 2017
Sprint
 - Ranked top 10 in business sales across the district; Salesforce power user.
